# A Message from Our President and Founder Rhonda Walker

Greetings,

I am so proud to share some of our incredible achievements over the past year as we enter our 20th year of empowering inner-city teen girls in Detroit. It is remarkable to reach this milestone and I am so thankful for your generous support and contributions that make this impact possible. We have been able to provide a robust college preparation curriculum, scholarships, educational resources, leadership, and self-confidence building retreats like Camp I Can and 24-Hour Girl Talk, career readiness and job shadowing workshops, mental health support, and mentorship to hundreds of young women in our community through our award-winning five -year Girls into Women Program.

Our programs have seen tremendous outcomes, we've expanded our college prep and education pillar ensuring every RWF girl has standardized test prep courses, year-round tutoring in all subjects, and college application and essay writing courses to maximize college readiness. As a result, in 2022 we graduated our 16th senior class. We awarded \$46,000 in scholarships to these accomplished young women who have all gone on to pursue higher education and take on leadership opportunities. We know we have a success-driven formula and it is truly an honor to witness their growth and development and give them the vital foundation they need to succeed and make a positive impact on the world around them.

Other highlights include helping our teens find career pathways through our career series that matched more teens than ever to career exposure and exploration through summer internships, career days, and business tours including arming them with business etiquette training and wardrobe in our Dress for Success workshop. Our teens walked the runway in a fashion show for a local designer and small business owner building their confidence, strengthening networking skills, and learning about entrepreneurship. A small group of teens even took that confidence and public speaking training and shined as hostesses for the Women of Stellantis Gala. RWF teens also shined in the winner's circle taking the top three prizes in last year's Optimists Club oratorical contest.

It is because of donors, community partners, and stakeholders like you who share our commitment to empowering teen girls in our city that all this is possible. Every time you donate to RWF, volunteer your time, or share your care and talents, your gift directly benefits Detroit youth and shows our girls their value in the world and that their future is worthy of your investment.

Thank you so much for being a part of the RWF extended family. As we celebrate our 20th Anniversary, we are more committed than ever to our mission to empower and educate inner-city teen girls towards becoming the strong, confident, successful, and moral future leaders our community needs.

With a Heartfelt Thank You,

*Rhonda Walker*

## A Message from Our Leadership

Dear Friends:

It is our great pleasure to share with you the 2022 Annual Report for the Rhonda Walker Foundation (RWF) as we continue our mission to educate, elevate and empower inner-city teen girls. We are committed to providing these remarkable young women with the tools and resources they need to succeed in life in spite of any challenges they may face.

Over the past year, RWF has continued to make great strides in achieving and maintaining excellence in our programming for Detroit youth. We have expanded our programming, added new staff members, seen increases in academic success, and provided more summer internship opportunities for our teens giving them opportunities to put the tools they have learned into practice.

Our biggest accomplishment of the year is being awarded the 2022 Michigan Governor's Service Award for Youth Impact. In addition, we have seen tremendous growth in grant funding to support and increase our programming. Support from corporate partners such as Lear, Magna, Brose, Raymond James, DTE Energy, Huntington Bank, and AT&T has helped us to close the opportunity gap for the teen girls in our program by providing them with resources and experiences that they may not otherwise find accessible.

None of this would be possible without the generous support of our donors, volunteers, mentors, and community partners. We are grateful for your ongoing support which enables us to continue this important work.

As we look to the future, we remain committed to our mission of empowering inner-city teen girls. We know there is still much work to be done, but we are confident that with your help, we can make a real difference in the lives of these young women who are truly our future leaders.

Thank you for your continued support and partnership.

Sincerely

# The RWF Scholarship Fund

## Educational Excellence; RWF College Preparation Program

The Rhonda Walker Foundation understands that education is one of the most important investments a person or organization can make to help reduce many inequities in our society today. This is why we are dedicated to empowering tomorrow's leaders. The RWF scholarships provide financial assistance to students pursuing their college education. Scholarship awardees are selected based on their academic achievement, community service, character, participation in our five-year Girls into Women Program, and senior essay and capstone project. **The RWF Alumnae Scholarship Fund awarded \$20,000 for the second year to RWF graduates attending college.**

## Scholar Power 2022 - Celebrating Excellence RWF Board Awards \$43,000

The 16th Annual Scholar Power Breakfast, sponsored by Brose North America, brought the RWF Family together to celebrate the accomplishments of the Class of 2022 and to recognize our amazing volunteers and mentors. The morning was highlighted by moving testimonies from our graduates, inspiring remarks from RWF Alumna, Asha Hill, and awarded the 2nd Annual Dr. Ronald Gillum Scholarship for Academic Excellence and Resilience. Scholarships were also awarded by Lear for Academic Excellence; for Community Service from the Rizik Family in memory of Brian Rizik, the Lori Werner Scholarship for School and Community Involvement, and the MGM Detroit Scholarship for Outstanding Leadership.

# Class of 2022 Testimonials

"I am confident in the woman I am becoming, fearless in everything I want to achieve, strong in withstanding whatever comes my way, and faithful to the organization that helped me pave my way. As long as I am true to myself and my dreams, the impossible will be possible. I am prepared to enter the world with a clear view, passion, and self-awareness. Everything that this foundation has taught me, will lead me to the life I want to live. The Rhonda Walker Foundation continuously poured into me, and with every word came growth that I am so thankful for."

- Kat'Lyn M.

"This foundation is somewhere we express ourselves as well as learn about each other and the different career paths of important, powerful, successful, and intelligent women who chose to master and dominate their field of work. These women and sometimes men come in and explain their field, why they chose this or how they ended up in that field but most of all they shared their mistakes. The mistakes showed they tried but they never gave up. This Foundation extends opportunities like tutoring, mentoring, and so much more so we can make our mistakes but we'll have people as our backbones to help us get up and keep trying."

- Rachel M.

*Rachel*

"This five-year journey with my sisters has been an incredible experience. I am honestly sad for it to be ending but thrilled to carry all the knowledge and experience I have gained into the next chapter of my life. To conclude, I am so glad that I worked up the nerves to go skiing with my future sisters because although it was a literal downhill trek, my journey throughout this organization has been nothing but an uphill climb. Thank you to everyone who mentored me, encouraged me, and assisted me through this spectacular experience."

-Symine M.

# Class of 2022 Testimonials

*Jewel*

"As a RWF graduate, I know now that you can learn and grow from your failures, I know that facing my fears builds character, I know that confidence is key to success, I know to never settle, I know that support is important when you feel vulnerable and most importantly I know that I have the responsibility to be what this foundation has been to me to my younger sisters in the program. The cheering and support from my sisters and mentors were because they believed in me more than I did myself. I was not capable of breaking a 'board' 5 years ago but my confidence was not where it is today. Today I am fearless and faithful. My full circle moment was not only did I raise my confidence, and breakthrough that 'board', but I was also able to recognize the difference in myself through watching my new younger sisters enter the foundation and plant their seeds as I did 5 years ago of becoming an empowered young woman."  
-Jewel R.

*Ayriss*

"The Rhonda Walker Foundation has taught me so much about myself. At the beginning of my time at the foundation, I was reserved and to myself due to my lack of self-confidence and self-love. Now being a graduate I can say that I broke free from my insecurities and doubt because of the loving and nurturing environment of the foundation. The foundation has given me something I have always longed for, a sisterhood. Having the ability to see that the other girls were like me, made me see that there was a whole world outside of my bubble to explore. Over the years, I can not count how many events I have attended that have been about uplifting and inspiring us in the foundation that we are beautiful and exceptional girls that would turn into beautiful and successful women. "  
-Ayriss W.

*Jaiila*

"The Rhonda Walker Foundation has done so much for me and has given me a lot of great opportunities. I'm so glad they picked me to endure this event. I'm glad I met my wonderful sisters, Rhonda, my mentors, and everybody else that's part of the foundation. The biggest thing I've learned being here is to be open to new opportunities and possibilities. It's nothing wrong with change and having people show you that they actually care. They also taught me that you can be anything you put your mind to. So I say thank you Rhonda Walker Foundation and thank you for being a part of my high school journey."  
-Jaiila

The Rhonda Walker Foundation (RWF) Family came together in a big way to benefit deserving families of the Detroit Rescue Mission Ministries' Genesis House II Homeless Shelter for our annual RWF Cares Christmas Celebration. Our wonderful volunteer Secret Santas showed up once again to provide gifts for the men, women, and children living in the shelter. Then, led by RWF founder, Rhonda Walker and her sister, Robin Gamble, along with the teens, board of directors, volunteers, and staff of the Rhonda Walker Foundation spread holiday cheer and heartfelt compassion for the 20th straight year with a fun celebration at the Detroit Rescue Mission Ministries Banquet Facility! The Detroit Axemen joined once again to provide teddy bears for every child. A special thank you to Santa for joining us all the way from the North Pole.

# A Day at Rebel Nell

## Learning About Social Entrepreneurship

Our teens spent a day at Rebel Nell-Detroit learning about how founder Amy Peterson took an idea and built an ethical, sustainable jewelry brand that empowers women with barriers to employment. Teens shared their own ideas for creating change through business and learned hands-on how the Rebel Nell-Detroit team creates jewelry.
